Attendance and Absence Policies:

1. **Please prioritize dance class attendance during the months leading up to your dancer's performance.** Dancers will learn what to do onstage and practice together during our regular class time. Dancing as a group requires commitment from every individual on the team. Dancers who miss classes or are late regularly will not be prepared.
2. Please notify YK Dance Arts ahead of time if your child will miss a class, dress rehearsal, or performance.
3. Missed dress rehearsals, performances and classes are non-refundable.

General Policies:

1. NO chewing gum onstage or backstage at the NACC.
2. Dancers may bring a water bottle for backstage. NO pop, juice, or Gatorade (spilled sugary drinks are mess to clean-up).
3. Please drop-off your dancer(s) on time for **CALL TIME** (tbd). Volunteers will be working hard to ensure your dancer can get from the drop off area to the backstage area. Dancers that are late may miss their performance on stage.
4. Dancers should show up ready to go onstage with their costume on and hair done. Dancers are to wear the provided costume for their performance. Guidelines for hairstyles and stage-makeup (optional) will be provided. Please reach out to ykdancearts@gmail.com if there is an issue with your dancers costume or if they require a costume accommodation. **Costume & shoe rentals must be returned by June 5 2027.**
5. Dancers with multiple classes should come dressed in their first costume, and bring the others with them to change into when required.
6. Please meet your dancer in the theatre lobby or hallway pickup area promptly after the end of the show.
7. Students with injuries may not be permitted to participate.
8. The event may be cancelled in the event of insufficient participant enrollment, teacher illness/personal emergency, or other unforeseen events (e.g. power outage, wildfire, pandemic).
9. Dancers are not permitted to leave the supervised backstage area to other areas of the NACC/Sir John High school during the show.
10. Audience members are not permitted to film or photograph during the performance. It is an impolite distraction to other audience members and the performers on stage. Professional photos/video will be made available to participants after the show.
